Noisy Offering Alert!

It's time to start rounding up those pennies, nickels, dimes, and quarters! **Sunday, September 8**, as we begin to celebrate the Season of Creation, we will have a GREEN AND NOISY offering to fund our commitment to choosing cleaner, sustainable electricity sources by purchasing Renewable Energy Blocks (REB) from the River Falls Municipal Utility. Last year your gifts enabled us to purchase 34 REB per month for 2024. That's enough energy from renewable sources to supply 100% of HOPE's electricity needs, as well as that of about 9 other typical households in our neighborhood!

Civic Life & Faith Engagement Next Steps

Thank you to all who participated in our summer series of “Civic Life and Faith” conversations. We had faithful conversation surrounding right relationships with our indigenous neighbors, including better understanding of the Doctrine of Discovery and the importance of its repudiation, and the invitation from the ELCA to review the Draft Social Statement on Civic Life and Faith.

Your opportunity to provide feedback **ends on September 30, 2024**. You can find the survey [HERE](#).

Many have expressed a curiosity about how our ELCA Lutheran identity and theology shapes our civic engagement. United Lutheran Seminary has put together an excellent set of resources for this, titled, “What Does It Mean to Be Lutheran in a Crucial Election Year?” While the first session has passed, there are still 5 sessions remaining. Please see the flier information below for registration information.

Kindling Faith
Learning Never Ends

What does it mean to be Lutheran in a crucial election year?

As our faith informs our day-to-day lives, Lutherans recognize that “faith is active in love [and] love calls for justice in relationships and structures of society” (ELCA, Social Statement on Church in Society, 1991). We also know the church is called to be a community that prays, deliberates, and acts together when it comes to complex social issues. In this election year, how might our Lutheran faith shape our thinking, acting, and voting on major issues? Join us to learn and ponder timely social teachings of the ELCA and to learn tips for leading discussions in your own community.

June 25:	<i>Introduction to Social Teachings</i> Dr. Roger Willer, Director of Theological Ethics for the ELCA
