

The Ministry of HOPE's Council: Naming Our Values

The HOPE Ministry Council has been faithfully exploring HOPE's values over the last six months. This has been diligent, engaging, and meaningful work and we are excited to share what the Holy Spirit has helped us discover! Our work was rooted in our current mission statement:

*HOPE is called by God to look beyond ourselves.
We walk together in faith, treasuring all people and sharing with them
the love, hope and acceptance that is in Christ.*

We agreed that this mission has served us well and continues to be the centerpiece of who God calls us to be in and through this community of faith. But we also acknowledged that it left some ambiguity on how best to live into that statement moving into the future. Over the last few years, including during the pandemic, we noticed that some of our decision making had become increasingly difficult and many of our ministry teams expressed feeling disconnected from one another. During last fall's Cottage Meetings many of you shared similar feelings and named beautiful hopes for our future together! Understanding that it is the council's primary role to make sure that HOPE has a vision and all teams are moving in the same direction toward that vision, naming our values has been a central focus for the 2024 HOPE council as we prepare for our next phase of ministry together!

In fact, HOPE will celebrate our 20th anniversary in 2026! As we continue to identify our goals and hopes for the next generation of our ministry, it is our hope that these values can inform just *how we live into our mission in the coming years. Utilizing the feedback we received from our Cottage Meetings, especially the values that were named during that process, our council distilled down the long list of values into our top four. This required scripture-centered, thoughtful, and at times, passionate, conversation. While we will massage out the final details during the November council meeting, we would love to share the four main values:*

HOPE Values...

- All people without exception
- Serving generously
- Spiritual Nourishment
- Our connection with creation

Next week I will share more about each of those values, how we arrived at them, and how we hope they will shape our next steps! As always, we are a body of faith doing ministry together. If you have questions or feedback about these values, please contact me or a member of HOPE's council for further conversation!

May these values empower us to go out in peace to serve Jesus,
Pastor Annie Ladnier

ALL SAINTS SUNDAY IS NOVEMBER 3rd !

The first Sunday of November is All Saints Sunday, a day we celebrate the victory won for all the faithful dead, but we grieve for our beloved dead as well, knowing that God honors our tears. We bring our grief to the table and find there a foretaste of the feast to come!

During our worship together we will give special recognition to the names of all those whom we have lost since last All Saints Sunday. Names of ANYONE are welcome!

This is also a great opportunity to invite a friend who has suffered a loss this year. Can we include their beloved's name and share in their grief and hope this year?

ELCA Truth & Healing Movement Opportunities!

Last November, Rev. Sara Bishop, NWSWI Synod Advocate for Right Relationship, joined us for an Indigenous People's service and learning opportunity on a synod resolution for Land Acknowledgements. Since then we have been studying and learning more from our indigenous siblings. We have read and discussed *An Indigenous People's History of the United States*, have learned more about the *Doctrine of Discovery* and the ELCA's repudiation of it, and broadened our conversation to wider civic life and faith concerns as we explore how our past informs our present. All of these efforts are in line with the ELCA's wider work, "The Truth and Healing Movement," which serves to put legs onto our official repudiation statement.

This fall there are a number of opportunities for further exploration, learning, repentance, and hope. Book studies, online presentations, classes and even a symposium are at your disposal through the [ELCA's Truth and Healing Movement website!](#)

Continuing the Work of the Assistance & Resource Center (ARC) A joint statement from Our Neighbors' Place and Operation HELP

With the discontinuation of the Assistance & Resource Center, Inc. (ARC) this year, Our Neighbors' Place and Operation HELP are developing a partnership to continue ARC's work of "providing short term financial assistance to residents of River Falls and adjacent communities to help them meet their basic needs." By adjusting service areas and leveraging the existing experience and programs of Our Neighbors' Place and Operation HELP, the two partner organizations will continue ARC's tradition of offering:

- Housing Assistance – Rent matching, pay arrangements, mortgage payments
- Utilities – Budgeting Sessions, payments to utility providers
- Transportation – Repairs, gas cards, taxi vouchers, registration, license fees, etc.
- Miscellaneous – Laundry, haircuts, work clothing, phone, vital records
- Food – School meal assistance, formula, other supplementation
- Referrals – Referrals & assistance for other programs

Operation HELP has been providing emergency financial assistance throughout St. Croix County, including the city of River Falls, for more than 30 years. These services include payment assistance for rent, utilities, and major car repairs. In recent years, a temporary emergency housing program (motel vouchers) has been added. Moving forward, these services will be extended to the entire River Falls School District area and adjacent communities will be added as the need and funding support is demonstrated. Applications for emergency financial services are handled entirely online (<https://operationhelpstcroix.org/client-application>) or by phone allowing clients to apply anytime from any location. Operation HELP has a full-time staff person dedicated to vetting emergency financial applications and working with clients, landlords, utilities companies, and repair shops to work out payment arrangements.

Our Neighbors' Place has spent the past 15 years providing help and hope to anyone in Pierce and St Croix county who is struggling to meet their basic needs. Services are delivered through 4 distinct programs: Day Center, Closet Thrift Store, Backpack Program, and Transitional Housing. Through the Our Neighbors' Place Day Center, guests in the River Falls and Ellsworth School Districts will have access to the Helping Hands Fund. This fund can provide emergency financial assistance related to vehicle costs, vital records, laundry, work clothing, and more - with a focus on priorities that support housing security. Additionally, all guests are eligible for gas cards, taxi vouchers, motel vouchers, food, showers, laundry, phone, and side by side assistance from our full time case manager. Guests who call or visit the Day Center for help will find a safe, nonjudgmental environment where all are welcome.

Although Our Neighbors' Place and Operation HELP are experienced and well-equipped operationally to respond to the discontinuation of services resulting from ARC's departure, funding for these services will be a challenge. In 2023, ARC provided approximately \$125,000 in rent and utility payments assistance to clients and approximately \$50,000 in transportation and other assistance. The continuing generosity of River Falls and Pierce County churches, businesses, clubs and organizations, and individuals will be critical to sustain these resources for local residents who are experiencing financial hardship.

Please consider a donation to continue these important services in the River Falls community!
